

## Directions to the office of Robus Risk Services (Gibraltar) Limited

Address: 5/5 Crutchett's Ramp  
Gibraltar

Telephone: +350 20077065

## **From the Airport**

### **1) Walking**

Approximately 50m ahead of you coming out of the airport you will see the Spanish border to the right and the main road leading into Gibraltar on your left. Turn left and follow the road across the runway. After approximately 10 minutes, at the Natwest bank roundabout go straight over, walking alongside the bank, and keep to your left when it splits, leaving the road. After 15m slightly uphill you will see a car park beneath you on your right; enter Landport Tunnel in front of you. Follow the path around and you'll come out into Casemates Square. Carry straight on, turning left into Main Street when you pass Burger King. You'll see Vinopolis and Valmar Pharmacy on your left. Crutchett's Ramp is in between these two shops. We're about 10m up on the left hand-side; there is a Robus plaque outside. You'll need to buzz for us to let you in. Once in, take the lift to the 4<sup>th</sup> floor.

It takes approximately 15 minutes to walk from the Airport to the Office.

### **2) Taxi**

Taxis usually wait outside the Airport when flights arrive. Ask the taxi driver to take you to Casemates Square. They will drop you off on a dead-end loop road on one side of the square with Pizza Hut on your right and Burger King straight in front of you. The road ahead of you is Main Street. Just past Burger King on your left you'll see Vinopolis and Valmar Pharmacy. Crutchett's Ramp is in between these two shops. We're about 10m up on the left hand-side; there is a Robus plaque outside. You'll need to buzz for us to let you in. Once in, take the lift to the 4<sup>th</sup> floor.
